Applicant Initials

____ Newspaper vending boxes shall be located at least 2 feet away from the face of the curb.

____ Newspaper vending boxes shall be located at least 3 feet away from any fire hydrant, callbox or other emergency structure.

____ Newspaper vending boxes shall be located at least 5 feet away from any driveway.

____ Newspaper vending boxes shall be located at least 3 feet away from any bus shelter or bench.

____ Newspaper vending boxes shall be located at least 3 feet away from any traffic sign or signal.

____ No newspaper-vending box shall be located within that portion of the pedestrian area adjacent to a designated handicapped parking space or commercial loading zone.

____ No newspaper-vending box shall be located where the paved pedestrian area does not extend to the curb, and the width of the continuous, undivided space for pedestrian travel would be reduced to less than 4 feet as a result of the placement of a newspaper-vending box.

____ No newspaper-vending box shall be located where the paved pedestrian area extends to the curb and the width of the continuous, undivided space for pedestrian travel would be reduced to less than 7 feet as a result of the placement of a newspaper-vending box.

____ No newspaper-vending box shall be located on the landscaped area of the public right-of-way between the curb and sidewalk wherein street trees are typically planted.

____ No newspaper vending box shall be located within, or within 2 feet of, the area bounded by the curb, the front entrance of a business establishment and 2 straight lines which extend from each outer edge of the entrance door frame to the curb and are perpendicular to the curb.

____ No newspaper-vending box shall be located within 30 feet of a catch basin.

Conditions continued

Applicant**Initials**

_____ No more than 8 newspaper-vending boxes shall be placed on any one-city block.

_____ Freestanding newspaper vending boxes shall face away from the roadway, with the rear edge of each box being located on a line parallel to the curb. Each freestanding newspaper-vending box shall be bolted to the sidewalk or pavement. In the event that such box is removed, the sidewalk or pavement shall be restored to a safe condition. No vending box that has been designed to be freestanding may be strapped or in any way attached to a city light pole or other city fixture.

_____ Newspaper vending boxes that are not freestanding may be banded to aluminum and concrete poles. No newspaper box shall be banded to a steel street light pole. A newspaper-vending box, which is not freestanding, may only be attached to a city-owned light pole, which such pole is more than 20 feet in height. Such box shall be securely strapped to the pole so as to prevent movement of the box and shall be oriented so that customers can stand on paved sidewalk when accessing it. The top of the newspaper-vending box shall not be more than 50 inches above grade. No more than 2 boxes may be strapped to any single pole. A newspaper-vending box strapped to a light pole shall not obscure any traffic sign or reflector or in any way obstruct the visibility of such sign or reflector. Fastening straps shall be made of stainless steel and shall be painted to match the color of the affected light pole. No chains or cables may be used. A newspaper vending box may be attached to a pole owned by any other entity provided permission from such entity is presented to the city clerk at the time of permit application.

_____ A newspaper-vending box shall have doors, which swing closed, and latch after each opening.

_____ A newspaper-vending box shall not exceed 50 inches in height, 26 inches in width, and 20 inches in depth.

Required Documents -☐ A. Schedule A Completed and Attached (ccl-140f)

Information regarding each newspaper vending box location must be included on Schedule A. Disclosure of Location and Type of Newspaper Vending Boxes and submitted with the application.
